Dear Ms Alguacil,

We are pleased to inform you that we are organizing an international conference on suggestopedia in Salzburg, Austria, October 26-28, 1990. This is the first conference on authentic suggestopedia. In the past ten years Dr Evelina Gateva and I were not allowed to have activities abroad.

I would like to inform you that, with the assistance of Dr Gateva, I am currently in charge of a Centre of Suggestology and Development of the Personality at Sofia University "St. Kliment Ohridski". The leading factors in the University have contributed to these conference with the help of the Foundation for Development of Education-Tierp, Sweden. The preliminary programme is as follows:

9.00 a.m. to 10.30 a.m.

11.00 a.m. to 12.30 p.m.

4.00 p.m. to 6.15 p.m. (i.e. 7 academic hours of 45 min.)

TOPICS: 1st day - Potential abilities and the development of the personality

2nd day - Accelerated, facilitated and psychohygienic mastering of foreign languages : ways, means, significance, problems and prospects

3rd day - Suggestopedic mastering of knowledge, skills and experience in different subjects and at different ages (in the morning)

Organizational matters: specializations, certifying, coordination, etc. (in the afternoon)

This conference will be a good opportunity for us to meet, to listen to different papers on the topic, to exchange views and ideas, to introduce clarity on some problems and to think about our future cooperation.

We are looking forward to meeting scholars and specialists interested in the problems of education for all ages and in all subjects.

Sincerely yours

Prof. Dr Georgi Lozanov
